

# RMA form

Please send this form completed and signed with the return shipment. In case of any questions, please contact us on **0031 38 337 5067**.

## Opmerkingen

- Please, don't send loose accessories and remove any parts that are not standard parts with the product. EVA Optic is not responsible for any third-party parts during repair.
- A light needs to be returned with **at least 3m of cable attached**.
- If a cable joint set is used for installation, you must **cut the cable up to and including the cable joint set** and send it to us completely.
- Please mark well if this is a return and let us know the reason of your return.
